All written notices required by Customer under this Agreement shall be submitted using the customer portal, and all written notices by Compute North may be made using the customer portal or by email to the address set forth on Customer’s most recent Order Form.
    - 2.4. Transfer of Mining Equipment. Customer shall promptly notify Compute North if it transfers legal title or grants to any third-party rights in or to any Equipment to a third party. All such transfers shall be subject to and shall preserve Compute North’s security interest under Section [6](#). In the event of a transfer, Customer shall remain obligated to pay Compute North the Monthly Service Fees for the transferred Mining Equipment for the remainder of the Equipment Term applicable to such Mining Equipment unless and until such Mining Equipment is placed into service under, and is subject to, a collocation agreement between the acquiring third party and Compute North, which shall require Compute North’s approval (including satisfaction of Compute North’s credit and know-your-customer requirements).
    - 2.5. Transfer of Services. Legal title to the Acquired Equipment only shall transfer to Customer when the fee for the Acquired Hardware has been paid to Compute North in full. The Acquired Hardware shall be Mining Equipment subject to this Agreement upon its delivery to the Facility. Customer solely shall be responsible for determining whether the Acquired Hardware is fit and suitable for its particular purposes. Customer acknowledges that no warranty, express or implied, is provided by Compute North for any Acquired Hardware and agrees that the only warranties associated therewith are the warranties, if any, offered or made by the manufacturers thereof.
-

4. **Term and Termination.**

- 4.1. Term of Agreement. This Agreement shall be effective as of the date on which it has been executed by Compute North and Customer (the "Effective Date") and, unless otherwise terminated, shall continue until all Equipment Terms for all Equipment under each Order Form have expired or terminated.
- 4.2. Equipment Term. The Equipment Term set forth on an Order Form for each piece of Equipment shall commence as of the date Compute North notifies Customer in writing that the Mining Equipment has been received and turned on by Compute North. The Parties agree that the damages sustained by Compute North in connection with the termination of this Agreement may be difficult or impossible to determine, or that obtaining an adequate remedy would be unreasonably time consuming or expensive and otherwise inconvenient, and therefor agree that in the
-

event of such termination, the liquidated damages are a reasonable approximation of the harm or loss, and not a penalty. If Customer fails to make any payments due under this Agreement (including, as applicable, the amounts specified in clauses (i) and (ii) above plus interest thereon, the "Default Amount"), in addition to any other rights and remedies it may have, Compute North shall have the right to (a) sell or retain possession of, (b) reconfigure for Compute North's use, or (c) remove and store at Customer's expense, all or any portion of the Mining Equipment without any cost, obligation or liability of Compute North to Customer; provided, that the net proceeds received by Compute North in exercise of its remedies under clauses (a) and (b) may not exceed the aggregate Default Amount for this Agreement or Order Form(s), as applicable

- 5.3. Taxes. All amounts payable by Customer under this Agreement are exclusive of, and Customer shall solely be responsible for paying, all taxes, duties, and fees, including federal, state, and local taxes on manufacture, sales, gross income, receipts, occupation, and use, not based on Compute North's income that arise out of this Agreement. If any deduction, withholding, or payment for taxes is required in any jurisdiction on amounts payable to Compute North, Customer shall indemnify and make Compute North whole for the full amount thereof.
- 5.4. Payment Method. Unless otherwise agreed in writing, all payments due and owing under this Agreement shall be made through automated clearing house ("ACH") transfers by Compute North from an account established by Customer at a United States bank designated by Customer (the "Payment Account"). Except as part of or in connection with a Change of Control or a reorganization solely among Customer and its Affiliates, Customer shall not assign or otherwise transfer any of its rights, or delegate or otherwise transfer any of its obligations or performance under this Agreement, in each case whether voluntarily, involuntarily, by operation of law, or otherwise, without Compute North's written consent. "Change of Control" means (i) a sale by Customer of all or substantially all of its assets that are the subject of this Agreement to an unaffiliated person or entity, (ii) a merger, reorganization, conversion or other transaction in which more than fifty percent (50%) of the voting control of Customer is held by persons or entities who did not hold voting control of such party, whether directly or indirectly, immediately prior to such transaction (excluding any reorganization solely among Customer and any entities that directly or indirectly controls, is controlled by, or is under common control with Customer (each, an "Affiliate"), or (iii) a sale by the equity holders of Customer that results in more than fifty percent (50%) of the voting control of such party being held by persons or entities who did not hold voting control of Customer, whether directly or indirectly, immediately prior to such sale (excluding any reorganization solely among Customer and its Affiliates). Customer shall notify Compute North in writing within ten (10) days of any assignment or transfer under this Section 13.4. Compute North may at any time assign, transfer, delegate, or subcontract any or all of its rights or obligations under this Agreement without Customer's written consent. Subject to the restrictions on assignment of this Agreement, this Agreement shall be binding upon and inure to the benefit of the parties, their legal representatives, successors, and assigns. Customer and Compute North acknowledge and agree that in the event Compute North enters into a partial assignment or other document evidencing a partial transfer of the obligations under this Agreement, (i) this Agreement and the applicable Order Forms shall apply as to the assignee to the extent assigned, (ii) the obligations of Compute North and such assignee shall be several, and not joint or collective obligations and there shall be no cross-default, cross-termination or other common performance or liability provisions as between the obligations under this Agreement and any Order Form(s) that are assigned and those obligations under this Agreement and any Order Form(s) that remain with Compute North.

Neither party shall be liable in any way for delay, failure in performance, loss or damage due to any of the following force majeure conditions: fire, strike, embargo, explosion, power failure, flood, lightning, war, water, electrical storms, labor disputes, civil disturbances, governmental requirements, acts of civil or military authority, acts of God, acts of public enemies, inability to secure replacement parts or materials, transportation facilities, or other causes beyond its reasonable control, whether or not similar to the foregoing. This also includes planned service and maintenance needs. Under
-

no circumstances shall the following constitute a force majeure: (i) a Party's inability to finance its obligations or the unavailability of funds to pay amounts when due in the currency of payment, (ii) changes in either Party's market factors, default of payment obligations or other commercial, financial or economic conditions, including failure or loss of any cryptocurrency markets, (iii) the ability of Customer to obtain better economic terms for the Services or similar services or (iv) Customer's failure to timely apply for any licenses, permits, consents, or approvals. No force majeure shall relieve, suspend, or otherwise cause either Party from performing any obligation to indemnify, reimburse, hold harmless or otherwise pay the other Party under this Agreement, including Customer's obligation to pay any Fees. Notwithstanding anything to the contrary in this Agreement, Force Majeure includes an increase of ten percent (10%) or more in Compute North's variable operating costs.

- 13.6. Compliance with Laws. Customer's use of the Facility and the Equipment located at the Facility shall conform to all applicable Law, including international Law, the Law of the jurisdictions in which Customer is doing business and where the Facility is located. In the event that there is a new or a change in Law that causes Compute North to directly or indirectly incur new or additional costs in connection with the Services or the Facility, Compute North may pass through such costs to Customer without markup, terminate this Agreement or any Order Form, or modify the Services as necessary to account for such costs. Customer shall timely cooperate in any audit or review of Customer's compliance with the terms hereof conducted by or on behalf of Compute North, responding accurately and completely to all inquiries, and providing any requested documents.
- 13.7. Governing Law. This Agreement shall be governed by and interpreted in accordance with the Laws of the State of New York, excluding any conflicts of law rule or principle which might refer such construction to the laws of another state or country. The parties waive, to the fullest extent permitted by Law, any objection that they may now or hereafter have to the laying of venue of any such action or proceeding in such courts and any claim that any such action or proceeding brought in any such court has been brought in an inconvenient forum. EACH PARTY HERETO HEREBY ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY THAT MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES AND, THEREFORE, EACH SUCH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL ACTION ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.
- 13.8. Relationship of the Parties. The parties agree that their relationship hereunder is in the nature of independent contractors. Neither party shall be deemed to be the agent, partner, joint venturer or employee of the other, and neither shall have any authority to make any agreements or representations on the other's behalf. Each party shall be solely responsible for the payment of compensation, insurance and taxes of its own personnel, and such personnel are not entitled to the provisions of any employee benefits from the other party. - 13.9. Third-Party Beneficiaries. Nothing in this Agreement is intended, nor shall anything herein be construed to confer any rights, legal or equitable, in any person or entity other than the parties hereto, the Facility Owner, the Lenders and their respective successors and permitted assigns.
- 13.10. Publicity. Neither party may use the name, trademark, logo, acronym, or other designation of the other party in connection with any press release, advertising, publicity materials or otherwise without the prior written consent of the other party. Notwithstanding the foregoing, Customer agrees that Compute North may publicly identify Customer, both orally and in writing, as a customer of Compute North.

The titles and headings for particular paragraphs, sections and subsections of this Agreement have been inserted solely for reference purposes and shall not be used to interpret or construe the terms of this Agreement. Compute North's rights and remedies hereunder are cumulative and in addition to any other rights or remedies it may have at law or in equity.

- 13.13. Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but which together shall constitute one and the same document. The parties may sign and transmit an electronic signature of this Agreement (whether by facsimile, pdf, email, or other electronic means), which signature shall be binding on the party whose name is contained therein.
- 13.14. Financing Accommodation. Upon the receipt of a written request from Compute North, Customer shall execute, or arrange for the delivery of, such estoppels and other documents, in each case, as may be (A) reasonably necessary in order for Compute North or its affiliates to consummate the financing, (B) customarily provided in connection with financing of a similar nature and (C) reasonably acceptable to Customer. Without limitation of the foregoing, Compute North may notify Customer of one or more of its or its affiliate's lenders or financing parties that are financing the Facility (the "Lenders"), and following such notice,
-

Customer shall provide written notice of any default or breach by Compute North to such Lenders, and such Lenders or their designee shall have the right, but not the obligation, to perform any act required to be performed by Compute North under the Agreement to prevent or cure a default or breach as if done by Compute North.

Equipment installation will not begin until received.

- The Monthly Service Fee is payable based on the actual hashrate performance of the Equipment per miner type per location as a percentage of the anticipated monthly hashrate per miner type. Customer shall pay a minimum service fee monthly in advance equal to seventy percent (70%) of the Expected Monthly Service Fee (the "Minimum Service Fee") based on the Anticipated Daily Rate. The Minimum Service Fee is nonrefundable.
- The actual Monthly Service Fee is determined using the Hashrate Performance Adjustment:
 
$$\text{Hashrate Performance Adjustment} = \text{Expected Monthly Service Fees} \times (100\% - \text{Actual hashrate performance percentage by model type})$$

Any Monthly Service Fee owed in excess of the Minimum Service Fee net of the Hashrate Performance Adjustment will be invoiced monthly in arrears. Customer is not eligible for service credits.
- Monthly Service Fees and Monthly Package Fees will be invoiced monthly beginning on the date of Installation and are due upon receipt of invoices submitted by Compute North. **LM Funding Announces Agreement with Multi-State Data Hosting Company and  
Anticipates Capacity of 504 Petahash in the Fourth Quarter 2022**

**TAMPA, FL / June 27, 2022 / LM Funding America, Inc. (NASDAQ:LMFA) ("LM Funding" or "LMFA")** today announced that it has entered into a hosting and services agreement with a multi-state data hosting company to host up to 4,200 of LMFA's S19J Pro Antminer Machines (S19J) (100 TH/s) ("Bitmain Miner Machines"). The Bitmain S19J Pro Antminer Machine is a high efficiency, high hash rate machine for Secure Hashing Algorithm (SHA) 256 mining that generates an average hash rate of 100 TH/s and has an average power consumption 3,000 kWh. LMFA anticipates that once all 4,200 machines are operational at the new facility, LMFA will have a total capacity of approximately 420 petahash capable of generating approximately 53 Bitcoin per month based on difficulty rates.<sup>1</sup> LMFA expects all of its 5,000 newly purchased miners, including 800 miners not being hosted by the new vendor, will be operational by the fourth quarter of 2022, potentially generating a total of 504 petahash.

Bruce M. Rodgers, Chairman and CEO of LM Funding, commented, "We understand that our machine suppliers' supply chain issues have been largely resolved, based on the information available to us, and we currently anticipate our mining operations will commence in the third quarter. As a result, we anticipate having approximately 5,000 mining machines operational in the fourth quarter of 2022, currently expected to be capable of generating approximately 764 Bitcoins per year. We also plan to take advantage of the current disruptions in the market by seeking to purchasing miners at attractive valuations, while hosting the machines where we can find the most economical power and quality service"

The new agreement is for 60 months and includes full hosting and management services.

<sup>1</sup> *Future changes in the network-wide mining difficulty rate or Bitcoin hash rate may also materially affect the future performance of LMFA's production of bitcoin. Additionally, all discussions of financial metrics assume mining difficulty rates as of June 17, 2022. The total network's hash rate data is calculated from a third-party source, which is available here: <https://www.blockchain.com/charts/hash-rate>. Data from third-party sources has not been independently verified. See "Forward-Looking Statements" below.*
